ADMINISTRATIVE PUBLIC HEARING: (Case number 15-01MA)
APPLICATION FROM WADE METEER, ACTING ON THEIR OWN BEHALF OR WITH LEGAL REPRESENTATION, THAT SEEKS REZONING OF PROPERTY HE OWNS FROM A-AGRICULTURAL TO RR-RURAL RESIDENTIAL.

Wade Meter was present to represent himself to give an overview of his application. Chairperson Eldridge opened the public hearing at 7:17 p.m. to give consideration to case number 15-01MA. Chairperson Eldridge swore-in Wade Meter for testimony regarding their application. Mr. Meter stated that the land he wishes to rezone is not agriculturally productive. Being zoned rural residential would allow him to split off five acres for his kids to build houses on.

Chairperson Eldridge expressed concern that this might set precedence in favoring one family. There was a response that land this unproductive was rare within the county. Mr. LeMar also stated that a review of the comprehensive plan in the future would help fill in the gaps in the zoning, but he didn't want to hold back Mr. Meter's plans for construction as the review would take some time.

As there were no other public comments (no members of the public were in attendance), ZBA member Ozella moved to close the public hearing at 7:33 p.m. ZBA member Stott seconded the motion. The motion carried with four “ayes” and one “absent” (Bass).

After discussion, ZBA member Stott moved to approve the Map Amendment application and note that the comprehensive plan should be reviewed to fix other areas. ZBA member Ozella seconded the motion. The motion carried with four “ayes” and one “absent” (Bass).
