INDEPENDENT AUDITOR'S REPORT

Chairman and County Board Members
Menard County, Illinois

Report on the Financial Statements

I have audited the accompanying statement of changes in assets and liabilities of the Circuit Clerk's Fund of Menard County, Illinois, a fiduciary (agency) fund, and the related notes to the financial statement as of and for the year ended November 30, 2021.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on this financial statement based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Michael J. Feriozzi, CPA

Opinion

In my opinion, the financial statement referred to above presents fairly, in all material respects, the financial position and the changes in assets and liabilities of the Circuit Clerk's Fund of Menard County, Illinois as of and for the year ended November 30, 2021 in conformity with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statement, this financial statement presents only the Circuit Clerk's Fund of Menard County, Illinois and does not purport to, and does not present fairly the financial position of Menard County, Illinois and the changes in its financial position, for the year then ended in conformity with accounting principles generally accepted in the United States of America. My opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

The Menard County Circuit Clerk has omitted and not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the financial statement. Such missing information, although not a part of the fund financial statement, is required by the Governmental Accounting Standards Board which considers it to be an essential part of the financial reporting for placing the financial statement in an appropriate operational, economic, or historical context. My opinion on the fund financial statement is not affected by this missing information.

Other information

My audit was conducted for the purpose of forming an opinion on the statement of changes in assets and liabilities of the Circuit Clerk's Fund of Menard County, Illinois. The accompanying supplementary information included in *Report J Annual Financial Report* is presented for purposes of additional analysis and is not a required part of the financial statement. Report J provides relevant information that is not provided by the fiduciary fund financial statement and is not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. Report J is based on guidelines of the Administrative Office of the Illinois Courts.

Report J is the responsibility of management and was derived from and relates to the underlying accounting and other records used to prepare the financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, Report J is fairly stated, in all material respects, in relation to the financial statement taken as a whole.

Michael J. Feriozzi, CPA

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued a report dated May 20 , 2022 on my consideration of the Menard County Circuit Clerk's internal control over financial reporting as it relates to the Circuit Clerk's Fund of Menard County, Illinois, and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters which is included within. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the Menard County Circuit Clerk's internal control over financial reporting of the fiduciary fund and its compliance.

Restricted Use of this Auditor's Report

This report is intended solely for the information and use of Menard County, Illinois, the appropriate local governments within Menard County, the pass through agencies of the State of Illinois, the Illinois General Assembly, and the Governor of the State of Illinois and is not intended and should not be used by anyone other than these specified parties.

Compliance

I have examined the Menard County Circuit Clerk's compliance with the requirements listed below during the year ended November 30, 2021. The management of the Menard County Circuit Clerk's Office is responsible for compliance with these requirements. My responsibility is to express an opinion on the Menard County Circuit Clerk's compliance based on my examination.

- A. The Circuit Clerk has properly assessed fines, fees, costs, penalties and judgments in accordance with the purpose authorized by law.
- B. The Circuit Clerk has properly distributed fines, fees, costs, penalties and judgments in accordance with the purpose authorized by law.
- C. The Circuit Clerk has timely assessed and distributed monies in accordance with the purpose authorized by law.
- D. The Circuit Clerk has complied, in all material respects, with the applicable laws and regulations in its financial and fiscal operations.
- E. The Circuit Clerk has properly administered money or negotiable securities or similar assets and the accounting and recordkeeping relating thereto has been proper, accurate, and in accordance with the law.

I conducted my examination in accordance with attestation standards established by the American Institute of Certified Public Accountants; the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the annual audit requirements included in the Clerks of Courts Act(Act); and the Circuit Clerk Audit Guidelines as noted by the Act. Those standards, the Act, and the Circuit Clerk Audit Guidelines require that I plan and perform the examination to obtain reasonable assurance about whether the Menard County Circuit Clerk complied, in all material respects, with the specified requirements listed above. An examination involves performing procedures to obtain evidence about whether the Menard County Circuit Clerk complied with the specific requirements listed above. The nature, timing, and extent of the procedures selected depend on my judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error.

Michael J. Feriozzi, CPA

I believe that my examination provides a reasonable basis for my opinion. My examination does not provide a legal determination on the Menard County Circuit Clerk's compliance with specified requirements.

In my opinion, the Menard County Circuit Clerk complied, in all material respects, with the requirements listed in the first paragraph of this report during the year ended November 30, 2021.

The purpose of this report on compliance is solely to describe the scope of my testing and the results of that testing in accordance with the requirements of the annual audit requirements included with the Clerks of Courts Act (Act) and the Circuit Clerk Audit Guidelines as noted by the Act. Accordingly, this report is not suitable for any other purpose.

Internal Control

The management of the Menard County Circuit Clerk's Office is responsible for establishing and maintaining effective internal control over compliance with requirements listed in the first paragraph of this report. In planning and performing my examination, I considered the Menard County Circuit Clerk's internal control over compliance with the requirements listed in the first paragraph of this report in order to determine my examination procedures for the purpose of expressing my opinion on compliance and to test and report on internal control over compliance in accordance with the Clerk of the Courts Act (Act) and the Circuit Clerk Audit Guidelines as noted by the Act., but not for the purpose of expressing an opinion on the effectiveness of the Menard County Circuit Clerk's internal control over compliance. Accordingly, I do not express an opinion of the effectiveness of the Menard County Circuit Clerk's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with the requirements listed in the first paragraph of this report on a timely basis. *A material weakness over compliance* is a *deficiency* or a *combination of deficiencies* in internal control over compliance such that material noncompliance with a requirement listed in the first paragraph of this report will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a *deficiency* or *combination of deficiencies in internal control over compliance* that is less severe than a *material weakness in internal control over compliance*, yet important enough to merit attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be *material weaknesses* or *significant deficiencies*. I did not identify any deficiencies in internal control over compliance that I consider to be *material weaknesses* as defined above. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on compliance is solely to describe the scope of my testing and the results of that testing in accordance with the requirements of the annual audit requirements

Michael J. Feriozzi, CPA

included with the Clerks of Courts Act (Act) and the Circuit Clerk Audit Guidelines as noted by the Act. Accordingly, this report is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Chairman and County Board Members
Menard County, Illinois

I have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the statement of changes in assets and liabilities of the Circuit Clerk's Fund of Menard County, Illinois as of and for the year ended November 30, 2021 and the related notes to the financial statement, and have issued my report thereon dated May 20, 2022.

Internal Control over Financial Reporting

In planning and performing my audit, I considered the Circuit Clerk's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statement but not for the purpose of expressing an opinion on the effectiveness of the Menard County Circuit Clerk's internal control. Accordingly, I do not express an opinion on the effectiveness of the Menard County Circuit Clerk's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a *deficiency* or a *combination of deficiencies in internal control* such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a *deficiency* or *combination of deficiencies in internal control* that is less severe than a *material weakness*, yet important enough to merit attention by those charged with governance.

My consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be *material weaknesses* or *significant deficiencies*. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be *material weaknesses*. However, material weaknesses may exist that have not been identified.

Michael J. Feriozzi, CPA

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Menard County Circuit Clerk's statement of changes in assets and liabilities is free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Menard County Circuit Clerk's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Menard County Circuit Clerk's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Circuit Clerk's Fund

Notes to Financial Statement Year ended November 30, 2021

1. Summary of Significant Accounting Policies

General Statement- The Circuit Clerk's Fund of Menard County, Illinois, a fiduciary (agency) fund functions as a clearing account for the Clerk's office. Clerk's fees, fines, bail bond deposits, and other cash items are received and deposited into the fund and retained until the judicial process determines proper disposition of the respective amounts.

The Circuit Clerk is also responsible for the collection and subsequent distribution of all court ordered child support. To the extent that child support is received in cash it is deposited in the Circuit Clerk's Fund and distributed out of the fund to the respective recipients.

The accounting and financial reporting policies of the Circuit Clerk's Fund of Menard County, Illinois conform with generally accepted accounting principles for state and local governments prescribed by the Governmental Accounting Standards Board (GASB).

Basis of Presentation- The accounts of Menard County, Illinois, including the Circuit Clerk's Office, are recognized on the basis of funds each of which is considered to be a separate accounting entity. Providing a separate set of self-balancing accounts summarizes the transactions of each fund, which includes its assets, liabilities, fund equity, revenues, and expenditures/expenses. Funds are ordered into three major categories, governmental, proprietary, and fiduciary. The Circuit Clerk's Fund of Menard County, Illinois is an agency fund included in the County's fiduciary type funds. Fiduciary type funds are used to account for assets held in a trustee capacity or as an agent for individuals, organizations, other governments, and or other funds. Agency funds are custodial in nature and do not involve measurement of results of operations.

Measurement Focus/ Basis of Accounting- Measurement refers to what is being measured; basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied. Agency funds use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual, that is, when they become both measurable and available. Measurable means that the amount of the transaction can be determined: available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period.

Interfund Receivables and Payables- Short-term amounts owed between funds are classified as "Due to / from other Funds".
